A Thanksgiving to Remember

Greetings Hale Families,

As we prepare to enter into the Thanksgiving holiday, Mrs. Loughran and I would like to extend our love and gratitude to each and everyone of you. We realize that this time of year can be a somewhat sad and stressful time for many people. We also know, that given the circumstances that surround our lives with COVID, things have changed.

This is usually a time when we look forward to seeing our immediate and extended family members and sharing the love and joy of the holiday season. Regretfully, this will not be able to happen for many of us.

Yet, we all still have so very much to be grateful for at this time! It is our fervent prayer and hope that as you look back over all that has transpired in the year 2020, that you will find something to hold onto and give thanks for.

We want you to know that the Hale community has rallied together and wrapped it's arms of love around our families. Through the generosity of many of our school and community members, we will be able to ensure that our families will have a wonderful holiday.

Please remember to stay safe, wear your mask, and to minimize the number of contacts that you engage with.

Warmly,

Mrs. Teque/ Mrs. Loughran-
