HAPPY NEW YEAR

Happy New Year Hale!

Happy New Year! I hope you all had a wonderful holiday with your immediate families and that you are all safe, healthy and well. The 2020 year has truly been one that none of us will soon forget! It is however, my abundant hope that you, as I am looking forward to the change that the 2021 year will bring.

Our community was once again able to come together to share love and support to provide Winter Hugs (Gift Cards) to 20 of our families. We want to thank and acknowledge the following people for their generous donations: Jisca Phillipe (Hale parent) , Jani Lopes (Hale parent & Owner of Bunnies and Bears Clothing Co.) and, George Raynor (Roxbury Action Program).

As many of you may have heard, the biggest change for our school this year, will be my departure from the Hale in the month of February. After much soul searching and contemplation, I have decided to retire from the Boston Public Schools. Although this has been a difficult decision for me, it has been one that I know will be in the best interest of myself and my family.

It is my fervent hope that I have left an ever increasing legacy for our school in the mission and vision I have worked so hard to achieve. I appreciate all of those who have joined my love train for the students of the Hale. This train ride I must say, "has been the joy of my life and one that I have known I was destined to take."

The Hale will always hold a very special place in my heart and although I will not be leading it I promise that I will continue fighting for it and each and every one of you as a community member and former employee of the Boston Public School District.

With all of my love,
Romaine Mills-Teque, Principal
