"Welcome Back Everyone!"

Our school year has officially begun! It has been amazing to reconnect with all of you and to welcome our new families to the Hale. We kicked off the start of our year with our "Back to School Ho' Down."

All of our little cowboys and girls mosed their way to our schoolyard for an afternoon full of games food and fun.

Our first day of school was filled with excitement and pride. Our students represented our school motto of dressing for success by wearing their uniforms and carrying themselves with respect and dignity. We will continue in this spirit by asking that you have your student wear his or her uniform daily to our school.

All students will be asked to wear their uniforms consistently Monday through Friday until we institute our Friday dress down day. A notice will be sent home to inform our families when this will begin.

Until said time, we appreciate you supporting our school and your student by ensuring that they are dressed for success daily.

In terms of our academic focus, we will continue working on our school wide Instructional Focus in the content area of writing. We will be guiding all of our students through a series of writing strategies and practices that will enable them to become more authentic writers.

I am looking forward to another great school year and thank you in advance for your support.

Warmly,

Mrs. Teque
