### School Re-Opening

As some of you may know, BPS is moving forward with school re-openings and will be returning additional students to all schools beginning on February 1<sup>st</sup>, 2021.

Students who have a designation of High In-Person Priority (**HIPP**) will have the option to return back to school for in-person learning four days per week.

All other students will begin transitioning back in the hybrid model on March 1<sup>st</sup>, 2021.

If your student is currently listed as Remote Only and you would like an opportunity to switch to hybrid, you may request a **Student Learning Model** change in March by calling the school, or by completing the Change Request Form on the BPS website.
